## MPT to air *2021 Baker Artist Awards* on October 15

*Awards show celebrates 36 local artists across six creative disciplines*

**OWINGS MILLS, MD** – [Maryland Public Television](#) (MPT) will present the *2021 Baker Artist Awards* on MPT-HD at 7:30 p.m. on Friday, October 15. The annual awards program profiles outstanding regional artists representing six disciplines: film and video, interdisciplinary, literary arts, music, performance, and visual arts. A live stream of the special will also be available at [mpt.org/livestream](http://mpt.org/livestream).

Responding to the creative and financial trauma many artists face because of COVID-19, the *2021 Baker Artist Awards* adapts the prize structure of previous years by distributing awards to more artists than ever before. A total of 36 individuals will receive \$2,500 awards this year and will be featured during the program in profile segments capturing the essence of each artist's creative gestalt.

"We're committed to the artistic community, and we're fortunate because we can change direction quickly and meet the needs of the community as they change," said Connie Imboden, president of the William G. Baker, Jr. Memorial Fund's board of governors. "The last year was so horrendous for the arts community, so we felt this would be a better response to help as many artists as we could."

The broadcast will be hosted for a second consecutive year by Wendel Patrick, a 2015 Baker Artist Award winner and current host of MPT's *Artworks* series. A classical, jazz, and hip-hop musician/composer and assistant professor at The Peabody Music Conservatory, Patrick brings a dynamic and contemporary flair to the annual special.

This is MPT's 13<sup>th</sup> year producing and airing the annual awards special. The [Baker Artist Portfolio website](#) and associated awards were established by the William G. Baker, Jr. Memorial Fund and are managed by the [Greater Baltimore Cultural Alliance](#).

Encore broadcasts of the *2021 Baker Artist Awards* will be offered Saturday, October 16 at 8 p.m. on MPT2 and Sunday, October 17 at 6:30 a.m. on MPT-HD.
